Commissioner for Patents

The reply filed on August 4, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The Election of Species requirement of July 15, 2004 sets forth the requirement that a listing of all claims readable on the elected species must be provided. In response, applicant has stated that claims 1-14 read on the elected species. However, this statement requires clarification, because it is unclear how claim 2 reads on the elected species, since claim 2 specifies that Y contains arylene and applicant has elected Y to be alkylene. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication should be directed to R. Sergent at telephone number (571) 272-1079.
